

OFFICE OF INTELLIGENCE PRODUCTION

I. Mission

The Assistant Director for Intelligence Production is charged with the production and presentation of foreign intelligence needed in the formulation and execution of policies, plans, operational decisions and courses of action affecting the national security.

II. Functions

The Assistant Director for Intelligence Production shall:

- A. Continuously analyze and interpret the significance of the pertinent factors in conditions, situations, trends and developments affecting foreign areas.
- B. Determine for planning purposes what intelligence should be produced and presented in order to:
 - 1. Reduce to the minimum the element of surprise in foreign affairs affecting the national security.
 - 2. Provide the foreign intelligence basis for the formulation, modification, execution and appraisal of national policies, strategic plans, operational decisions and courses of action.
 - 3. Ensure that all vital foreign intelligence fields are adequately covered, and provide for production of that intelligence in fields of common concern which by agreement can be produced more efficiently as a centralized activity.
